

Name: _____

Grade: _____

Farm Activity Handout

For this handout, you will be taking the information you learned in the video to create your own farm.

Answer the following questions:

1. What food will you grow? _____

2. How will you save your food? Are you going to can it, dry it, put it in a jar, or send it fresh to the grocery store?

3. Which tools will you use? Why?

4. Where will you send your food? _____

Draw your farm.
